### **Encore Wire Presenting at Southwest IDEAS Conference**

McKinney, TX - Encore Wire Corporation (NASDAQ Global Select: WIRE) today announced that the Company's Chief Financial Officer, Mr. Frank J. Bilban, will be presenting at the Southwest IDEAS Investor Conference in Dallas on Wednesday, November 18, 2015 at 10:40 a.m. Central Time, in addition to numerous one-on-one meetings scheduled at the conference that day.

Daniel L. Jones, Chairman, President and Chief Executive Officer of Encore Wire Corporation, said, "We are pleased to be presenting at the Southwest IDEAS Investor Conference at the Marriott-Quorum Hotel in Dallas, Texas. The conference will draw institutional investors from across the country."

The presentation will be available via webcast for those who are unable to attend in person. The webcast link is <http://wsw.com/webcast/threepa18/wire>.

The IDEAS investor conferences provide independent regional venues for quality companies to present their investment merits to an influential audience of investment professionals. Conference sponsors collectively have more than \$200 billion in assets under management. The IDEAS Investor Conferences are held annually in Boston, Chicago, and Dallas and are produced by Three Part Advisors, LLC.

Encore Wire Corporation is a leading manufacturer of a broad range of electrical building wire for interior wiring in commercial and industrial buildings, homes, apartments, and manufactured housing. The Company is focused on maintaining a high level of customer service with low-cost production and the addition of new products that complement its current product line.

The matters discussed in this news release, other than the historical financial information, including statements about the copper pricing environment, profitability and stockholder value, may include forward-looking statements that involve risks and uncertainties, including payment of future dividends, future purchases of stock, fluctuations in the price of copper and other raw materials, the impact of competitive pricing and other risks detailed from time to time in the Company's reports filed with the Securities and Exchange Commission. Actual results may vary materially from those anticipated.
