

METAL CLAD GAYLORD BOX

NO TOOLS REQUIRED

No extra tools needed. Gaylord serves as an instant payoff system allowing you to get the job done quicker and safer.

ENVIRONMENTAL RESPONSIBILITY

Lower the amount of wire scrap produced, while decreasing the waste produced by packaging.

MORE FOR LESS

Longer put-up and continuous footage equals less setup, less packaging, and less scrap.

ADVANTAGES OF THE MC GAYLORD BOX

- Portable and easy to set up
- Serves as an instant payoff system
- Money and time savings on job site or OEM shop
- Longer continual runs means less reels to deal with and less wire scrap produced

*Ask your Encore Wire Sales Representative about custom colors
